

CANADA DAY 150
Artisan Market

PO Box 137
Kingston NS
B0P 1R0

February, 2017

Dear Crafter/Artisan:

The Village of Greenwood lays almost in the middle of the Annapolis Valley, between historic Annapolis Royal, the first capital of Nova Scotia, and Grand Pre, home of Evangeline. For years Greenwood has hosted Canada Day celebrations but this year, being Canada's 150th Birthday, Greenwood has partnered with neighbouring communities to host a Canada Day worthy of this very special milestone. Record crowds are expected to attend. Events are planned for the entire day. After dark, spectacular fireworks will end this celebration.

One of the many features of this grand party is an outdoor market of local artisans from 10am until 3pm. Stalls of approximately 12' x 12' will be available for \$30 for crafters of all sorts to display their unique and creative work. Crafters should supply their own tables and shelters/canopies to provide protection from the weather. No electricity will be available to vendors, just large crowds of proud Canadians! And please bring your own chairs and anything else you like to adorn your stall for this very special day.

You may wish to book your stall soon, so as to be sure to get a placement. Do this by completing the attached form and return it by mail with your payment before May 30. We hope to accommodate over 50 vendors, so don't delay making application. For further enquiries, please call 902 765-8554 or email karl.west@ns.sympatico.ca.

Let's work together to promote all that is good about our great country. Your talent celebrates a vast variety of skills and abilities that enrich Canada. Greenwood's Canada Day 2017 affords you a wonderful venue to promote your creative business within the local area. I hope you will agree to participate in Canada's sesquicentennial party.

Yours truly,

Muriel West
